WHHA Policies & Procedures

The Following Policies & Procedures will govern ALL WHHA sponsored & co-sponsored race meets in 2011.

Membership

1. One owner and/or trainer of each horse entered to race at WHHA sponsored or co-sponsored race meets MUST be a 2011 member of the Wisconsin Harness Horse Association in order to race.
2. ALL DRIVERS who drive at WHHA sponsored or co-sponsored race meets MUST be a 2011 member of the Wisconsin Harness Horse Association in order to drive.
3. Those who are not members will be allowed to join the WHHA on race day when paying entry fee.

Coggins Test

1. Each horse must have an ORIGINAL 2011 Negative Coggins test to enter the grounds. You may be asked to present papers at the gate, so BE PREPARED. Horses not having papers will have to immediately leave the grounds and may be subject to quarantine.
2. The ORIGINAL and a photocopy must be presented to the Clerk of Course when paying entry fee. You will keep the original and the clerk will keep the copy.
3. For your convenience, you should make as many copies as races you are planning to attend. The Clerk of Course must compare the

WHHA Policies & Procedures cont'd

photo copy to the ORIGINAL copy at each race meet. Once deemed valid, the Clerk of Course will keep the photo copy on file at the Fair / Race Office for the required period of 5 years.

4. Those who do NOT have an ORIGINAL copy of the Negative 2011 Coggins Test will NOT be permitted to race at any Wisconsin Race meets.

Breathalyzer Testing

5. Appointed official will ask the driver/official to blow into the unit, count to seven (7) and check the reading. Unit will then be shown to 2nd official and driver for verification of authenticity.
6. Drivers/Officials must test at a 0.0 level before being permitted to drive or perform their scheduled duty.

WHHA Policies & Procedures cont'd

7. Drivers/Officials, who do not test 0.0, will have the opportunity to re-test with the 2nd Breathalyzer unit.

9. The WHHA reserves the right to retest any individual(s) at any point during the meet.
10. WHHA will offer their Breathalyzer units to any other fair for use free of charge provided they have their own qualified testing officials.

Race Day Insurance

The Wisconsin Harness Horse Association recognizes the need for universal insurance for the drivers in our sport. We are proud to continue to offer to help subsidize the insurance costs so that every race meet in the State of Wisconsin is able to afford race day on-track driver's insurance. In return, each host track that receives a subsidy has agreed to the policy that **ALL** drivers must be 2011 Members of the WHHA in order to drive at their race meet in the State of Wisconsin this year. Drivers will be allowed to join on race day prior to the first post.

Driving Violations & Penalties

According to USTA Rule 18, Section 9: "Drivers shall keep a line in each hand from the start of the race until the head of the stretch finishing the race."

WHHA Penalties will be as follows:

1st Offense: \$25.00 Fine

2nd Offense: \$100.00 Fine

3rd Offense: \$200.00 Fine

USTA Rule 18, Section 6

If in the opinion of the Judges a driver is for any reason unfit or incompetent to drive or refuses to comply with the directions of the Judges, or is reckless in his conduct and endangers the safety of horses or other drivers in the race, he may be removed and another driver substituted at any time after the positions have been assigned in a race, and the offending driver shall be fined, suspended, or expelled. The substitute driver shall be properly compensated.

USTA Rule 18, Section 8

Loud shouting or other improper conduct is forbidden in a race. After the starting gate is in motion, both feet must be kept in the stirrups until after the finish of the race, except that a driver shall be allowed to remove a foot from the stirrups temporarily for purpose of pulling earplugs.

USTA Rule 18, Section 9

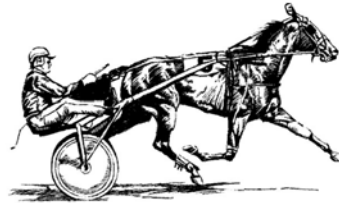

Drivers will be allowed whips not to exceed 4 feet, plus a snapper not longer than 6 inches. Provided further that the following actions shall be considered excessive or indiscriminate use of the whip:

- a. Causing visible injury.
- b. Whipping a horse after the race.
- c. Whipping under the arch or shafts of the sulky.

The use of the whip shall be confined to an area above and between the sulky shafts, to include the sulky shafts and the outside wheel discs. Drivers shall keep a line in each hand from the start of the race until the head of the stretch finishing the race.

USTA Rule 18, Section 11 (effective May 1, 2009)

The brutal use of the whip or crop or excessive or indiscriminate use of the whip or crop shall be considered a violation and shall be punished by a fine and/or suspension. . . .
