## Fall 2010 Quarterly Newsletter

### *Message from the President*

It's really hard to believe that the 2010 racing season has come to an end and we are already gearing up for the annual meeting in January. The WHHA had another successful year, and I am particularly pleased with the marketing efforts by our Association. I believe we did more this year than we ever have before which makes me truly proud to be a part of such a hard working family. Special thanks to the USTA for once again helping us with our efforts via the Matching Funds Grant

we received for \$1,000 and for their new system that allows us to send press releases to every media outlet in the surrounding areas that we race.

Races sure seemed to be getting closer as the year went on, and it proves by the numerous Dead Heats we had this year that we are lucky to have our photo finish system available. Gretchen Springer headed this task all year, so if you were in one of the close races – thank her for being there to show the true winners – I know the judges appreciate it!

The annual meeting is only a few short months away, and we are vigorously trying to get prepared for it. Some of the details are found in this issue, and there will be another newsletter sent out prior to the January event with further updates. As always, we will be taking nominations for our Board of Directors. If you would like to serve, we welcome everyone. Please let me know if you are interested.

Good luck to all who are continuing their racing season wherever it may be this fall!

Gabe

## Track Record Shattered – All State Pacing Record Tied

The racetrack at the Iowa County Fairgrounds, Mineral Point, Wisconsin was the fastest it has ever been during this year's fair. Despite some cloudy skies and few sprinkles, the race track was in tip top shape for Monday's card.

The story of the of this year's fair was a six year old gelding by the name of Finn Jet. Owned by Kevin Magee of Clintonville, WI and trained and driven by his son, Richard Magee, Finn Jet posted two victories—the first being in track record time. Magee has in the past been the leading driver at Prairie Meadows Race Track, Des Moines, IA and Running Aces Harness Park, Columbus, MN where Finn Jet has most recently been competing.

Finn Jet was fired off the starting gate from post three and got an easy lead to an opening quarter of :29 and 3/5 seconds. As Magee heard the announcer holler a half in :59 and 1/5 seconds, he knew it was go time and had a shot to break the record. "I knew the horsemen had the track in excellent shape, and Jet has been feeling good so I figured at that point I'd go for it," Magee said. And that he did. He let Finn Jet roll on down to the three-quarter mark in a blistering 1 minute, 28 and 3/5 seconds. The horsemen on the backstretch were in disbelief and the crowd was cheering as Finn Jet drew away from the field with every stride crossing the wire in an easy score. All were quiet as they waited the resulting time. Veteran announcer Buck Weaver informed all in attendance they had just witnessed history – Finn Jet had just paced the fastest mile EVER at the historic track – a mile in 1 minute, 58 a seconds, shattering the previous record of 1 minute 59 seconds held by Do You Yahoo and owner Danny Clark, Mineral Point (2004). The mile also tied the all-state pacing record. Finn Jet and the Iowa County Fairgrounds now share the record with He's All That and the Walworth County Fairgrounds who held the previous record outright in 2003.

### Racing Roundup: Tattler's Jet gets a sub-1:50 win

Tuesday, October 05, 2010 - from harness publicists around North America – Reprinted from [www.ustrotting.com](http://www.ustrotting.com)

**New Kent, VA ---** After 98 lifetime wins and 364 starts, the 12-year-old Tattler's Jet finally got a sub-1:50 victory when he crossed the finish line in 1:49.2 on Tuesday afternoon at Colonial Downs.

The ageless pacer, who continues to blossom as he gets older, earned his sixth win of the year and f15th in the money finish by connecting in the fifth race winners-over feature.

ML Jackhammer surged to the front after the starter released the field and hit early panels of :26, :53.1 and 1:21.2, while the eventual winner settled into a pocket trip. Driver Mark Gray guided Tattler's Jet away from the rail in the turn, and the Tattler's Torpedo gelding surged past Dan Maier's front-stepper in mid-stretch, en route to a two length triumph over a fast-closing Chris Fatta.

The winner, who is trained by Gene Miller for owner David Carter, saw his 2010 bankroll creep over the \$25,000 mark. Tattler's previous lifetime mark of 1:50.2 was set at Colonial Downs three years ago, while his fastest 2010 mile, a 1:53.2 sizzler, came Sept. 26 at the New Kent oval, as well.

# Wisconsin Harness Horse Association Board of Director's Meeting Minutes

May 16, 2010– Columbus, Wis.

Present: Rick Davis, Wayne Moldenhauer, Gretchen Springer, Del Moldenhauer, Gabe Wand, Becky Swinehart, Susan Schroeder, Jeanne Marquis

Absent: Scott Gald, Rick Magee, George Woodbridge, Basil Remley, Durwood Maas, Dave Dahms, Bob Yohn (Rachel is graduating from Vet School!)

This gathering began at 10:40 with a review of the minutes from the meeting of March 28th. To clarify, the minutes were amended to read, "Therefore, it was moved that all drivers racing at meets which we sponsor or co-sponsor insurance, must be members of our organization." Del moved that the minutes be approved as amended. Second by Gretchen. Passed unanimously.

Treasurer's report is attached. The rebate of \$1600 from Van Gundy has not been received despite Rick Davis' attempts to recover the funds. The printer contract has changed from quarterly to annual. Rick moved that this report be accepted. Susan seconded. Passed unanimously.

Insurance. Almost all locations are on board with race day insurance. Rice Lake is paying its own as Bud Epp is reluctant to require Minnesota drivers to join the WHHA. He is also passing on promotional programs we offer. We will insure 16 racing days. Progressive will receive a check for \$2800.

Membership: Reminder cards were sent to all members who have not yet renewed and many are responding. Also, of 70 letters sent to Wisconsin USTA members, not members of WHHA, 1 responded. Many are Amish and not likely to join; however, an effort was made to invite all.

Fundraising: Becky reports that the calendar raffle is in process. Gabe needs to get the raffle number from the state. Also, the calendar needs PDF formatting. She has an IT specialist ready to get it done. This person will also set up the program from Sadie for photo finishes on Susan's computer. Gretchen will operate this for us at the fairs. Susan will print the raffle tickets.

Marketing: Susan commented that WHHA has had a presence at the Midwest Horse Fair for 30 years! This year broke

attendance records. Regarding this year's efforts, all agreed that our barn presentation was wonderful, especially Gretchen's mural and the benches for watching races on the TV track. Our live demo in the arena, however, had too much emphasis on the re-trained Standardbreds. We would like to have more driving horses, some more flash, like back pads and head numbers—much more emphasis on racing. We will save our last raffle horse for next year and figure out how to get more people to help as many of the same folks worked for 3 days. Thank you everyone!

Our USTA grant requests are looking good for approval. We asked for \$1200 to get the mascot and other promotions. This would be ½ now and ½ at the end of the season. Susan will order the mascot with the eyelashes, along with a cooling system for the wearer and the T-shirts.

Newsletter. Gretchen would like everything in by July 1st. Wayne will write a column for Hall of Fame. Minutes will be included after approval by the board. All but one ad is paid for. J.H. and Omega will be added.

Website. Jess would like to feature a photo periodically. Gabe would like photos for programs. Send interesting photos...please.

Racing. A Grooms Race is in the cards for Elkhorn. This race will be classified as an exhibition race; driver's not being required to have a license but to have had experience driving. It will be offered for either gait, be advertized, and the victor rewarded with an appropriate trophy.

Responsibilities: Starting gate and insurance contracts are all set. Dick Vandembroucke has written the Judge's Exam. He jogs and trains for Bob McCabe and therefore would bring that experience to the judge's stand. Perhaps, Jeanne Wendricks would help train him at Weyauwega and Wautoma. Del Moldenhauer will be patrol judge. Eli McNut will be judge at Mineral Point. James from Chester will chart there. Susan will chart at the Elkhorns. Clerk positions are all set. Rick Davis will check Coggins before horses unload at Weyauwega and Wautoma. He will ask Tom Puetz to check horses arriving the

previous day. Starters will be Butch Douglas at 2 Elkhorns and Mineral Point. Pat Plant will do Ironwood. Tom Puetz will organize the rest of the starts with Butch, Pat and Mike Renard. Gabe will print the programs. Buck will call Mineral Point. Woody will call our other meets. Nellie will take care of blankets at Weyauwega and Wautoma. Color commentators are needed. Susan will do driver interviews. Gretchen offered to wield a microphone in the stands. Drivers could be interviewed during intermission, field questions from the crowd and throw t-shirts wrapped with USTA arm bands. If they sign shirts when they enter, it will be easy and special. Abby Bayer and Greg Nebgan have offered to help. It is recommended that pick-a-winner persons get cash ahead of time. We need someone tall to wear the mascot costume and mix with people and get fans into the stands. Susan will persuade drivers to race the Bouncy Ponies. Little Driver photo shoot will take care of itself once it is set up. For press releases, Gretchen will check with Rick Tittsler before each meet and send to Jess for publication.

Neilsville has its fair the same dates as Ironwood, but they do hold Heritage Days and this might offer a possibility for racing. The track needs to be scraped and they would have to be responsible for this though Chris Frenzel has offered his help. Rick Davis will follow up on this.

Jenni King received \$3,935 from Christian Harness Association, some of which we gave. This prompted a discussion of what our policy should be if disaster strikes another harness horseperson. Who gets it? What disasters would prompt our support? How much? Members only? Board members were asked to think about this and send ideas for guidelines to Gabe by June 1st.

Back to the Track is a USTA national promotion. The date is August 14th. Our options for this date are Ironwood, Springfield, Running Aces or Balmoral. Is there an interest in a bus trip to one of these venues? More to come.

Regarding Hall of Fame endeavors this summer, Susan presented a list of places in Wisconsin where harness racing was held. Each board member was encouraged to take a place and research the history of that site and see if we can preserve our vanishing history. Deadlines for Hall of Fame inductees will be due November 1st.

USTA youth camp will be held June 16-20th. We have some funds to sponsor someone if there is anyone who knows someone who would like to go. The Zalinski report to the USTA on the state of the industry is available.

Future meetings will be October 17th in Dane to wrap up the racing season and December 5th in Columbus with the Hall of Fame committee. This meeting wrapped up at 2:30.

## Wisconsin Harness Horse Association Board of Director's Meeting Minutes

*July 31, 2010- Dane, Wis.*

Present: Gabe Wand, Gretchen Springer, Del Moldenhauer, Rick Davis, Susan Schroeder, and Jeanne Marquis. Guest: Wayne Moldenhauer.

Absent: Becky Swinehart, Scott Gald, Rick Magee

This board meeting was called in response to the controversy over our determination to implement the USTA whipping rule. We met after the races at 3:30. Today before the races, our Judge, Susan Schroeder, went to each driver as she administered the breathalyzer test, informed them that the whipping rule would be enforced. She made it clear that rule breakers would be fined. Comments from this group indicated that drivers generally complied. The judge commented that it is very difficult for the judge to watch every driver's actions in the stretch and that associate judges would be helpful.

There is concern that other judges for Wisconsin meets will not be consistent in implementing the rule. We feel it is important for the integrity of our sport and for getting young fans back into the grandstand that they consistently enforce this rule. We agreed that judges have the responsibility for determining what behaviors are brutal. Paddock judges could check horses in the barn for stripes and welts. We acknowledge that we do not have the authority to require judges to do this. But we feel that this issue is so vitally important for the future of our sport

that we are pursuing it as diligently as we can. We would like for the judges to know that WHHA board will stand behind their decisions. We need to communicate this in a formal but advisory manner. Therefore, the following motion was made by Del and seconded by Jeanne:

The president will write a letter to judges who will be judging Wisconsin races to offer guidelines for curbing excessive whipping or brutality. The guidelines for enforcement are:

- Up to 5 one handers.
- Any actions perceived to be brutal, no matter the number of hits.

This motion passed unanimously. This letter will be e-mailed to board members for proofing prior to being sent to our judges.

Other issues: Monroe fans complained that the races were called off because of rain. They hint of a fall meet. Gift baskets are presented to each fair board member of each of our venues from WHHA. Some Supt. Of Speeds were unappreciative, but Susan reiterated that our relationship with fair board members is important to foster regardless of the Superintendent of Speed's personal feelings towards the them.

Gretchen moved that the meeting be adjourned at 4:40. Del seconded. All approved.
